14) No Concession is allowed to manure Carts at other toll gates in the province.

15) The practice of levying full rates on manure Carts at some toll bars and half rates at others appears anamolous. It seems necessary that there should be uniformity in such matters.

16) It is a matter for consideration whether it is expedient to show some Concession to manure Carts in the interests of agriculturists. Instead of levying Concession rates on manure Carts licenses may be issued by the Dts in the case of Carts used for agricultural purposes on payment of a Compontion fee in accordance with rule 64 of the K.B. Rules

17) Secondly if it is considered expedient that manure Carts should receive Special treatment & that half rates only should be levied on them, the next point for consideration is whether lime should be classed as manure. Some of the Dts of Kadur State that more lime is used for building purposes than for manure and this circumstance will make the operation of collecting tolls on lime Carts complex.

K.Chandy, Esquire, B.A.,

President,

To

K.R.Srinivasiengar, Esquire, M.A.,

Secretary to the Government of Mysore

General and Revenue Departments

Sir,

With reference to your docket No.Gl 991-8 L.B.16-12-28 dated 30-7-12 calling for the opinion of the District Board re treating 'lime' as Manure for levying toll at concession rates, I have the honor to submit herewith an extract from the proceedings of the District Board resolving that the proposed concession is unnecessary in this District.

The Amildars of Yedatore, Hunsur and Chamarajanagar taluks report that Manure carts are being levied at concession rates and the amildar of Mysore taluk states that no such concession exists. It is learnt that 'lime' is not generally used as Manure, but the Amildar of Hunsur reports that lime is being largely exported for Manuring Coffe plants.

I have the honor to be

With reference to your letter No. 8223-4/L.B. 16-12-11 dated 16th April 1913 requesting information as to the authority under which concession rates are being allowed in the case of carts ---- carrying manure at certain toll gates in this District, I have the honour to state that the toll gates at which such --- concession rate is allowed are only two in this District viz (1) Toll gate at Hole-Narsipur bridge, and (2) toll gate at Belur -- bridge, the former " on the authority of Government Order No.944--6/L.B. 57-98 dated 18th July 1899 and as regards the latter, it is not possible from the references available in this Office to -- furnish the authority under which the concession rate is being -- allowed, as it relates to a still earlier year than 1899. The realizations of the Belur bridge toll are credited to Provincial revenue, while those of the Hole Narsipur bridge toll are credited to District funds. I have the honour to be,
